EDUCATION

Vryburg Highschool

2017 - 2021

I was Top 20 in academics in each grade. I joined the school choir in 2017-2019 and I was also part of the school's social committee

NWU

2023 - Present

I am currently studying Bsc IT and I am in my final year. I was part of the HEIMAT a mens hostel where I was a member of the financial committee as well as TAD.

WORK EXPERIENCE

Klerksdorp Technical School Screener

March 2022–August 2022

As part of my job, I ensured that every student was fulfilling the COVID-19 regulations. I worked as a teacher's assistant as well.

Deswalner Recycling Supervisor

September 2022 – December 2022

As a supervisor, it was my responsibility to ensure that each station operated effectively. Additionally, it was necessary to ensure that all of the workers' equipment was safe to use. Here I learned how to manage a team of workers whilst maintaining profitability in my section.

BB Soft Junior Software Developer

January 2025–Present

I work at BB Soft as a junior software developer right now. I am occupied with training and acquiring the abilities I will need to tackle real-world challenges. Like to build and maintain software and sql.
